

IMAGINATION MOVERS

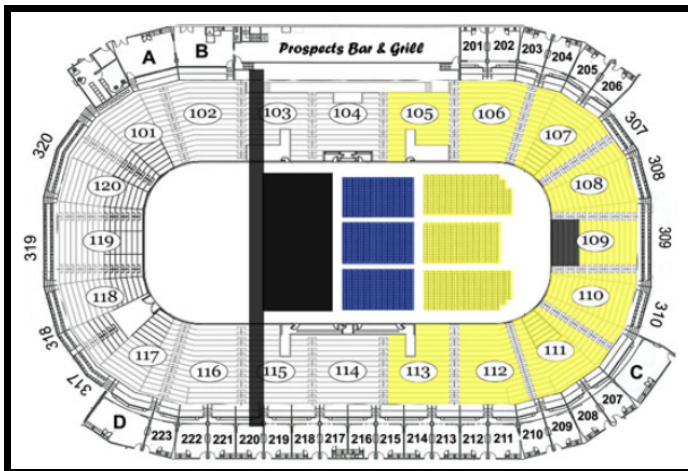

IN CONCERT!

ROCK-O-MATIC
 REAL GUITARS. REAL DRUMS. REAL FUN!

SATURDAY, APRIL 14, 2012
TWO PERFORMANCES! 1:00pm and 4:00pm
GENERAL MOTORS CENTRE, OSHAWA

Rich, Scott, Dave and Smitty - of the Emmy-winning Disney Channel TV series "Imagination Movers" - will be bringing their high-octane rock concert to the General Motors Centre, and it's an event the whole family can enjoy. The Movers were the highest-rated and most popular live family act of 2011. The key to the Movers' appeal is they combine danceable power pop songs with extremely catchy choruses and a knack for inspiring audience participation. Throw in a heaping helping of onstage silliness and you've got a recipe for a live musical event that will truly engage the littlest of kids along with their older siblings, parents and grandparents.
